

FULFILMENT & ROUTE-TO-MARKET

YOUR STOCK. OUR ENGINE. EUROPE'S MARKETS.

One HUB that turns **stock into sales** — warehousing, multi-channel listing and cross-border fulfilment across the EU, run on live market data. The same engine we use to trade our own stock.

**~80%**orders shipped
within 24h**28**EU markets
fulfilled B2B**6**sales channels
integrated

~35% shipped same-day · 8,000 products price-monitored · live inventory API

READY TO LAUNCH, TODAY

01 WAREHOUSING

Your goods stored in our facility, **live stock levels** visible via API. FIFO handling and inventory accuracy built in.

02 MULTI-CHANNEL LISTING

One feed, **six channels** — Allegro, MediaMarkt, amazon, Refurbed, Empik and our own store — with pricing driven by live market data.

03 CROSS-BORDER FULFILMENT

Pick, pack and ship across **28 EU markets**. ~80% of orders leave within 24h, ~35% same day.

04 DATA & REPORTING

8,000 products price-monitored, sell-through and demand analytics — you see what moves, where, and at what margin.

CAPABILITIES — LIVE & ON THE ROADMAP
