

FOR BRANDS

WE GROW YOUR BRAND. YOU KEEP THE UPSIDE.

We build your reach across Europe on **real demand data**. Our margin is the channel margin — we reinvest it into your growth instead of squeezing it out.

A PARTNER, NOT A MARGIN SQUEEZER

01 CONSIGNMENT ONBOARDING

Start with **no upfront risk**. You keep ownership of stock until it sells — a model already proven with our HOCO partnership.

02 FULL-FUNNEL SELLING

Six channels — Allegro, MediaMarkt, amazon, Refurbed, Empik and our own store — with prices set by **live market data**, not guesswork.

03 AMAZON-READY

Brand Registry, A+ content and Stores capability **across 8 EU markets** — ready to deploy when you are.

WHY MONSTELO

- We earn from the channel margin — so your growth is our growth
- Every listing priced against live market data
- Reach on proof: 28 EU markets already served B2B
